Document No: PY01

QB Cert aims to promote, encourage awareness, environmental responsibility and help to continuously improve certification management issues within industry, commerce and the public domain. We understand the importance of impartiality in carrying out our management system certification activities, manage conflict of interest and ensure the objectivity of our management system certification activities.

We wish to achieve our aims as a major international accredited QB Certand recognize that effective management of our customers, our staff, our certification process and our business results makes good business sense. It will be a fundamental and integral part of our business strategy.

We will achieve this by:-

- Offering an international certification service in accordance with ISO 17021-1:2015 that is fair impartial and objective to all who wish to avail themselves of our service,
- Providing our customers with a professional service that is perceived to add value to their business and satisfy their expectations,
- Practicing sound certification principles through competent staff
- Caring for and valuing our staff,
- Brief and train our staff to deliver Audits that satisfy our customers, supervisory body and the standard we set,
- Developing an open exchange of information with organizations and the public on the certification service that we offer,
- Continuously improving the certification service, we offer,
- Practicing sound business principles to manage the QB Certand give a return on our shareholder's investment,
- Records of certified clients and previously certified clients shall be retained for the duration of the current cycle plus one full certification cycle
- Communicating this policy to our staff, customers and interested parties.
